## **Grant Increase**

### **Revitalisation of the Mining Institute and creation of the Common Room of the Great North (KickstartGIA2020)**

Applicant: The Common Room of the Great North Ltd

Project description: This project was awarded £4.1million in June 2018 and a further £721,000 in January 2021 (57% of total costs overall) to restore, conserve and make accessible the Grade II\* building and collections of the North of England Institute of Mining and Mechanical Engineers. Underpinned by a commercial business model, the Mining Institute is now rebranded as The Common Room of the Great North. Both the building and the collections are of international heritage importance. The coronavirus (COVID-19) pandemic and more recent economic issues have impacted upon the grantee's ability to generate income. Additional funds are requested to allow The Common Room to undertake further resilience-enhancing activities to increase income generation capacity, as well as update fundraising and business strategies.

Decision: Award grant increase of £249,581

### **The Jewish Communities of Yorkshire and the North East – We Were There Too**

Applicant: Jewish Lads and Girls Brigade

Project Description: A two-year project to create an online educational resource exploring the lives of the Jewish community in Yorkshire and the north east during the First World War. It will host workshops to engage with schools and the wider community. The impact of the pandemic, failure to secure partnership funding of £27,977 and removal of digital interns from the project (£40,000) has impacted the project. This means that an increase in the grant percentage from 65.5% to 73%, and a subsequent reduction of the grant from £104,400 to £74,527, is considered to continue to offer good value for money.

Decision: Award grant percentage increase from 65.5% to 73% to make a total grant of £74,527

## **Material Change to Approved Purposes**

### **Great Grimsby's Viking Journey**

Applicant: VESR (VISITOR ECONOMY, SERVICES AND RETAIL GROUP) CIC

Costs: No increase.

Decision: Approved material change to approved purposes
