## National Lottery Heritage Grants £10,000 to £250,000

### Fleshers Close Regeneration

Applicant: The Ridge SCIO

Project Description: This project aims to restore Fleshers Close to use as a community space over 18-months, providing training opportunities in traditional skills for (predominantly) young people locally who would not otherwise have access to apprenticeship opportunities.

Decision: Reject

### The Restoration of Balmacara Old Mill Hall

Applicant: Balmacara Community Trust

Project Description: This project aims to restore the derelict Water Powered Sawmill as a community gathering space. Protecting and preserving its heritage features by using sympathetic conservation, whilst creating a space for people to gather and attend community events and activities.

Decision: Reject

### Caring for the Art in Health Collection: ensuring it's future and continued role in supporting the health and wellbeing of the people of Scotland

Applicant: Art in Healthcare

Project Description: This project seeks to conserve artworks in the Art in Health Collection that are currently in storage, make them ready to exhibit and put them on display around Scotland for the general public to engage with and enjoy.

Decision: Reject

### Aerodrome Baby - Brown Baby Boom in Perth

Applicant: Theatre of the Oppressed Scotland

Project Description: This project aims to protect the heritage of the Scone Aerodrome, which stands as a symbol of Perth's rich past and uncover the largely forgotten story of the brown baby boom in Perth in the

1970s - an untold chapter on experiences of Perth's love and inclusion along with experiences of racism and hate.

Decision: Reject

## **Intangible Cultural Heritage in Scotland - Protection through Connection**

Applicant: Museums Galleries Scotland

Project Description: This project aims to create an Intangible Cultural Heritage (ICH) partnership in Scotland. This partnership will consist of; Museum Galleries Scotland; Historic Environment Scotland; and Traditional Arts and Culture Scotland. This partnership aims to pool the expertise of these organisations to create a national infrastructure to preserve ICH and thus foster greater community identity in Scotland.

Decision: Award Grant of £249,982 (93%)

## **Rescuing the Unique Heritage of Govan Old**

Applicant: The Govan Heritage Trust SCIO

Project Description: This project aims to increase public access and create a sustainable future for Govan Old by creating a museum, learning space and visitor centre as well as business space and community hub offering facilities to let. The project also seeks to deliver a high-profile campaign to increase the visibility of Govan Old and to promote heritage through activities.

Decision: Award Grant of £250,000 (11%)

## **Cultural Glenkens - Preserving the heritage of our place**
