

# Nominate your heritage project and people for a £5,000 award

05/04/2023

Clive Gray from Blyth Tall Ships accepts a National Lottery Award from historian David Olusoga. The National Lottery Awards recognise outstanding National Lottery funded projects and the inspirational people that make those projects happen across the UK.

Since 1994, the National Lottery has raised more than £47 billion for good causes. Of this, The National Lottery Heritage Fund has distributed over £8.6bn to more than 49,000 heritage projects across the UK.

Each year, The National Lottery Awards celebrate the inspirational people and projects who do extraordinary things with the help of that National Lottery funding.

The nominations for this year's awards are now open! You can nominate your National Lottery supported project and the people that made it happen in categories including:

- Project of the Year
- Heritage individual
- Environmental individual
- Community & Charity individual
- Young Hero (Under 25s)
- Special Achievement Award, which is a new addition for 2023 to honour an individual who has gone above and beyond

## **Outstanding people and projects**

We're proud to have supported so many previous winners, including:
