- a) inspect the Property and any work to it;

Except as permitted under paragraph 43 (Digital Outputs), you must not sell, let or otherwise part with it or any interest in it, or give any rights over it to anyone else (or take any steps to do so) without our approval beforehand. - b) that you sell or let the Property at its full market value; or
- c) any other conditions we think fit.

We may claim from you an amount in the same proportion to the sale price as the Grant is to the original cost of the Approved Purposes, or the portion of the Grant spent on the assets or goods concerned, whichever is the greater. If you applied for the Grant in accordance with the Heritage Enterprise Application Guidance the share of the proceeds of share to be paid to us will be calculated in accordance with the formula set out in that guidance. You must pay whatever we decide is appropriate in the circumstances. We may decide not to ask you to repay the Grant (or any part of it as we think fit) for any reason but it is for us to decide that.

33. We reserve the right to take security over the Property or your organisation's undertaking at our option. If we exercise our right under this clause, the Grant (or any part of it which has not been disbursed) will not be disbursed until the documents needed to create the security have been completed to our satisfaction.

34. If the Approved Purposes include creating, repairing or restoring property, you must maintain the Property in good repair and condition after the work has been done. If the Approved Purposes include the preparation of a maintenance and management plan or a conservation plan, you must maintain, manage or conserve the Property in accordance with the version of the relevant plan that we have approved.

35. You must insure the Property to the standard set out in (and use any proceeds of the insurance in line with) the Application Guidance as amended from time to time.

or publicity requirements we may tell you about from time to time. Before we make any public announcement of the Grant, you must not issue any public statement, press release or other publicity in relation to the Grant or which refers to us, other than in a form we have approved beforehand.

42. You must also provide us with high resolution digital images of the Project. You give us the right to use those you provide us with at any time, including putting them into a digital format and altering them. - f) ensure that the Digital Outputs are kept up-to-date, function as intended and do not become obsolete before the twentieth anniversary of the Project Completion Date;
- g) comply with these Standard Terms of Grant in relation to the digital files that make up the Digital Outputs for the period agreed in the Grant Notification Letter. For the avoidance of doubt, this includes ensuring free and unfettered online access to the Digital Outputs. You must not release your project's Digital Outputs on other terms without our prior written consent;
- h) ensure websites and website content meet at least W3C Double A accessibility standard; and

i) provide us with the web address or addresses (URL/s) of the site or sites that will host your Digital Outputs for the specified length of time, and update these if materials are relocated.
