

# Legacy planning for Landscape Partnerships

27/06/2013

<b>Attachment</b>	<b>Size</b>
<a href="#">lp_legacy_guidance.pdf</a>	798.45 KB

This document was produced by external consultants on behalf of HLF and researched the legacy of 12 Landscape Partnerships and older area schemes that are now either close to finishing or are complete. This document will help you to plan the legacy and long term vision for your own Landscape Partnership scheme.

We strongly recommend you read this guidance if you are applying under our [Landscape Partnerships](#) programme.
