

Data for Heritage Places - Place Analysis Mapping of Measures

This document accompanies the raw data spreadsheets used by the National Lottery Heritage Fund in our [Data for Heritage Places research](#). The aim of this document is to list the raw data used, the source of that data and explain additional calculations carried out as part of the analysis.

Contents

Heritage Condition - Indexed Domain Scores.....	2
Total Factor Scores	4

Heritage Condition - Indexed Domain Scores

Ref.	Heritage Condition Domain	Measure	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
3.1	Historic Built Environment	Indexed value of Historic Built Environment total domain score	Value per Local Authority Area	Calculated measure	The local authority with the highest value for the total domain score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. Where indicated and where there are large outliers, indexing is against a percentile value rather than the highest value to prevent outliers limiting the range of values between 0 to 100.	In Scope, Indexed to 99th percentile	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value
3.2	Museums, Archives and Artefacts	Indexed value of Museums, Archives and Artefacts total domain score	Value per Local Authority Area	Calculated measure	The local authority with the highest value for the total domain score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. Where indicated and where there are large outliers, indexing is against a percentile value rather than the highest value to prevent outliers limiting the range of values between 0 to 100.	In Scope, Indexed to 99th percentile	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value
3.3	Industrial, Maritime and Transport	Indexed value of Industrial, Maritime and Transport total domain score	Value per Local Authority Area	Calculated measure	The local authority with the highest value for the total domain score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. Where indicated and where there are large outliers, indexing is against a percentile value rather than the highest value to prevent outliers limiting the range of values between 0 to 100.	In Scope, Indexed to 99th percentile	In Scope, Indexed to 90th percentile	In Scope, Indexed to 90th percentile	In Scope, Indexed to 80th percentile
3.4	Parks and Open Space	Indexed value of Parks and Open Space total domain score	Value per Local Authority Area	Calculated measure	The local authority with the highest value for the total domain score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. Where indicated and where there are large outliers, indexing is against a percentile value rather than the highest value to prevent outliers limiting the range of values between 0 to 100.	In Scope, Indexed to 99th percentile	In Scope, Indexed to 90th percentile	In Scope, Indexed to highest value	In Scope, Indexed to highest value

Ref.	Heritage Condition Domain	Measure	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
3.5	Landscapes and Nature	Indexed value of Landscapes and Nature total domain score	Value per Local Authority Area	Calculated measure	The local authority with the highest value for the total domain score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values.	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value
3.6	Cultures and Memories	Indexed value of Culture and Memories total domain score	Value per Local Authority Area	Calculated measure	The local authority with the highest value for the total domain score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. Where indicated and where there are large outliers, indexing is against a percentile value rather than the highest value to prevent outliers limiting the range of values between 0 to 100.	In Scope, Indexed to 99th percentile	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value

Total Factor Scores

Ref.	Factor	Measure	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
3.7	Heritage Condition	Indexed value of the total of each of the domain scores within the Heritage Condition factor	Value per Local Authority Area	Calculated measure	The local authority with the highest value when adding the totals from each of the indexed total domain scores is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values.	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value
3.8	Deprivation	Indexed value of Deprivation	Value per Local Authority Area	Calculated measure	The local authority with the highest value for the total factor score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values.	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value
3.9	Previous Heritage Fund investment	Previous National Lottery Heritage Fund investment	£ per Local Authority Area	Calculated measure	The local authority with the highest value for the total factor score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. Where indicated and where there are large outliers, indexing is against a percentile value rather than the highest value to prevent outliers limiting the range of values between 0 to 100.	In Scope, Indexed to 99 th percentile	In Scope, Indexed to highest value	In Scope, Indexed to 95 th percentile	In Scope, Indexed to highest value
3.10	Other Funding	Indexed value of Per Capita spend	Value per Local Authority Area	Calculated measure	The local authority with the highest value for the total factor score is allocated 100, the lowest value is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values.	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value	In Scope, Indexed to highest value

Heritage Condition indicators – Historic Built Environment domain

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
4.1	Heritage Condition	Listed Buildings (Grade I)	Number per Local Authority Area	Historic England / Cadw	Not applicable	In Scope	In Scope	Not In Scope	Not In Scope
4.2	Heritage Condition	Listed Buildings (Grade I) at risk	Number per Local Authority Area	Historic England / Cadw	Not applicable	In Scope	In Scope	Not In Scope	Not In Scope
4.3	Heritage Condition	Listed Buildings (Grade II*)	Number per Local Authority Area	Historic England / Cadw	Not applicable	In Scope	In Scope	Not In Scope	Not In Scope
4.4	Heritage Condition	Listed Buildings (Grade II*) at risk	Number per Local Authority Area	Historic England / Cadw	Not applicable	In Scope	In Scope	Not In Scope	Not In Scope

4.26	Heritage Condition	Total built assets	Number per Local Authority Area	Calculated measure	Total of all assets in scope for each nation	In Scope	In Scope	In Scope	In Scope
4.27	Heritage Condition	Total built assets at risk	Number per Local Authority Area	Calculated measure	Total of all assets with 'at risk' designation	In Scope	In Scope	In Scope	In Scope
4.28	Heritage Condition	Percentage at risk	Percentage	Calculated measure	Total Domain Score - Total of all assets with 'at risk' designation divided by Total of all assets in scope for each nation	In Scope	In Scope	In Scope	In Scope

Heritage Condition Indicators – Museums, Archives and Artefacts domain

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
5.1	Heritage Condition	Museums (accredited by Arts Council England)	Number per Local Authority Area	Arts Council England	Not applicable	In Scope	Not In Scope	Not In Scope	Not In Scope
5.2	Heritage Condition	Museums (major partners Arts Council England; and DCMS sponsored)	Number per Local Authority Area	DCMS	Not applicable	In Scope	Not In Scope	Not In Scope	Not In Scope
5.3	Heritage Condition	Archives	Number per Local Authority Area	The National Archives	Not applicable	In Scope	In Scope	In Scope	In Scope
5.4	Heritage Condition	Designated Collections	Number per Local Authority Area	Arts Council England	Not applicable	In Scope	Not In Scope	Not In Scope	Not In Scope
5.5	Heritage Condition	Museums	Number per Local Authority Area	Museums Galleries Scotland / NI Museums Council / Welsh Museums	Not applicable	Not In Scope	In Scope	In Scope	In Scope
5.6	Heritage Condition	Recognised Collections	Number per Local Authority Area	Museums Galleries Scotland	Not applicable	Not In Scope	Not In Scope	In Scope	Not In Scope
5.7	Heritage Condition	Libraries	Number per Local Authority Area	Libraries NI	Not applicable	Not In Scope	Not In Scope	Not In Scope	In Scope
5.8	Heritage Condition	Total number of museums, artefacts and archives	Number per Local Authority Area	Calculated measure	Total of all assets in scope for each nation	In Scope	Not In Scope	Not In Scope	Not In Scope
5.9	Heritage Condition	Total number of Museums and Archives	Number per Local Authority Area	Calculated measure	Total of all assets in scope for each nation	Not In Scope	In Scope	Not In Scope	Not In Scope
5.10	Heritage Condition	Total number of Museums, Recognised Collections and Archives	Number per Local Authority Area	Calculated measure	Total of all assets in scope for each nation	Not In Scope	Not In Scope	In Scope	Not In Scope
5.11	Heritage Condition	Total number of Museums, Archives and Libraries	Number per Local Authority Area	Calculated measure	Total of all assets in scope for each nation	Not In Scope	Not In Scope	Not In Scope	In Scope
5.12	Heritage Condition	Rate of Museums, Archives and Artefacts per 100k of the population	Score per Local Authority Area	Calculated measure	Total Domain Score - Total number of assets in scope for each nation in 5.8-5.11, divided by local authority population and multiplied by 100,000	In Scope	In Scope	In Scope	In Scope

Heritage Condition indicators – Industrial, Maritime and Transport domain

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
6.1	Heritage Condition	European Route of Industrial Heritage sites	Number per Local Authority Area	European Route of Industrial Heritage	Not applicable	In Scope	In Scope	In Scope	In Scope
6.2	Heritage Condition	Canal infrastructure	Number per Local Authority Area	Canal and Rivers Trust	Not applicable	In Scope	In Scope	Not In Scope	Not In Scope
6.3	Heritage Condition	Heritage railways: Open to the public	Number per Local Authority Area	Mark Dewell	Not applicable	In Scope	In Scope	In Scope	In Scope
6.4	Heritage Condition	Historical ships	Number per Local Authority Area	National Historic Ships	Not applicable	In Scope	In Scope	In Scope	In Scope
6.5	Heritage Condition	Shipwrecks	Number per Local Authority Area	Historic England	Not applicable	In Scope	Not In Scope	Not In Scope	Not In Scope
6.6	Heritage Condition	Protected Shipwrecks	Number per Local Authority Area	Historic England	Not applicable	In Scope	Not In Scope	Not In Scope	Not In Scope
6.7	Heritage Condition	Assets of Community Value - industrial	Number per Local Authority Area	Keep it in the Community	Not applicable	In Scope	Not In Scope	Not In Scope	Not In Scope
6.8	Heritage Condition	Designated Wrecks	Number per Local Authority Area	Cadw	Not applicable	Not In Scope	In Scope	Not In Scope	Not In Scope
6.9	Heritage Condition	Defence Heritage	Number per Local Authority Area	Department for Communities NI	Not applicable	Not In Scope	Not In Scope	Not In Scope	In Scope
6.10	Heritage Condition	Historic Marine Protected Areas	Number per Local Authority Area	Historic Environment Scotland	Not applicable	Not In Scope	Not In Scope	In Scope	Not In Scope
6.11	Heritage Condition	Total Industrial, Maritime and Transport Score	Score per Local Authority Area	Calculated measure	Total Domain Score - The number of in scope assets in 6.1-6.10 for each nation weighted according to the percentage displayed on the datasheet, totalled, then divided by the total amount of land area in the local authority	In Scope	In Scope	In Scope	In Scope

Heritage Condition indicators – Parks and Open Space domain

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
7.1	Heritage Condition	Ordnance Survey Open Greenspace	Hectares per Local Authority Area	Ordnance Survey	Not applicable	In Scope	In Scope	In Scope	Not In Scope
7.2	Heritage Condition	Historic Parks and Gardens	Hectares per Local Authority Area	Department for Communities NI	Not applicable	Not In Scope	Not In Scope	Not In Scope	In Scope
7.3	Heritage Condition	Percentage of local authority land area which is Open Greenspace	Percentage	Calculated measure	The number of hectares of in scope assets divided by the total amount of land area in the local authority	In Scope	In Scope	In Scope	Not In Scope
7.4	Heritage Condition	Percentage of local authority land area which is Historic Parks and Gardens	Percentage	Calculated measure	Total Domain Score - The number of hectares of in scope assets in 7.1 to 7.3 divided by the total amount of land area in the local authority	Not In Scope	Not In Scope	Not In Scope	In Scope

Heritage Condition indicators – Landscapes and Nature domain

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
8.1	Heritage Condition	National Park	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Scottish Natural Heritage	Not applicable	In Scope	In Scope	In Scope	Not In Scope
8.2	Heritage Condition	Area of Outstanding Natural Beauty	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Department of Agriculture, Environment and Rural Affairs	Not applicable	In Scope	In Scope	Not In Scope	In Scope
8.3	Heritage Condition	Special Areas Conservation	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Scottish Natural Heritage, Department of Agriculture, Environment and Rural Affairs	Not applicable	In Scope	In Scope	In Scope	In Scope
8.4	Heritage Condition	Special Protection Areas	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Scottish Natural Heritage, Department of Agriculture, Environment and Rural Affairs	Not applicable	In Scope	In Scope	In Scope	In Scope
8.5	Heritage Condition	Special Sites Scientific Interest	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Scottish Natural Heritage, Department of Agriculture, Environment and Rural Affairs	Not applicable	In Scope	In Scope	In Scope	In Scope
8.6	Heritage Condition	Local Nature Reserves	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Scottish Natural Heritage	Not applicable	In Scope	In Scope	In Scope	Not In Scope
8.7	Heritage Condition	National Nature Reserves	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Scottish Natural Heritage, Department of Agriculture, Environment and Rural Affairs	Not applicable	In Scope	In Scope	In Scope	In Scope

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
8.8	Heritage Condition	Ramsar Wetlands	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Scottish Natural Heritage, Department of Agriculture, Environment and Rural Affairs	Not applicable	In Scope	In Scope	In Scope	In Scope
8.9	Heritage Condition	Ancient Woodlands	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales, Scottish Natural Heritage, Department of Agriculture, Environment and Rural Affairs	Not applicable	In Scope	In Scope	In Scope	In Scope
8.10	Heritage Condition	UNESCO World Heritage Sites	Presence within the Local Authority Area (yes/no)	UNESCO	Not applicable	In Scope	Not In Scope	In Scope	In Scope
8.11	Heritage Condition	Wildlife Trust Reserves	Presence within the Local Authority Area (yes/no)	The Wildlife Trust	Not applicable	In Scope	In Scope	In Scope	In Scope
8.12	Heritage Condition	Heritage Coast	Presence within the Local Authority Area (yes/no)	Natural England, Natural Resources Wales	Not applicable	In Scope	In Scope	Not In Scope	Not In Scope
8.13	Heritage Condition	UNESCO Geoparks	Presence within the Local Authority Area (yes/no)	UNESCO	Not applicable	In Scope	In Scope	In Scope	In Scope
8.14	Heritage Condition	Hedgerows (estimated)	Presence within the Local Authority Area (yes/no)	RSA estimate, derived from Centre for Ecology & Hydrology data - Brown, M.J. et al	Not applicable	In Scope	In Scope	In Scope	Not In Scope
8.15	Heritage Condition	Ancient Trees	Presence within the Local Authority Area (yes/no)	Woodlands Trust	Not applicable	In Scope	In Scope	In Scope	In Scope
8.16	Heritage Condition	Assets of Community Value - Landscapes and Nature	Presence within the Local Authority Area (yes/no)	Keep it in the Community	Not applicable	In Scope	Not In Scope	Not In Scope	Not In Scope
8.17	Heritage Condition	Registered Landscape of Outstanding Historic Interest	Presence within the Local Authority Area (yes/no)	Cadw	Not applicable	Not In Scope	In Scope	Not In Scope	Not In Scope
8.18	Heritage Condition	National Scenic Area	Presence within the Local Authority Area (yes/no)	Scottish Natural Heritage	Not applicable	Not In Scope	Not In Scope	In Scope	Not In Scope
8.19	Heritage Condition	Total Landscapes and Nature Score	Presence within the Local Authority Area (yes/no)	Calculated measure	Total Domain Score - Presence of in scope assets in 8.1-8.18 for each nation assigned a value between 0 and 100 according to the weighting displayed in the datasheet, and totalled	In Scope	In Scope	In Scope	In Scope

Heritage Condition indicators – Cultures and Memories domain

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
9.1	Heritage Condition	Blue Plaques	Number per Local Authority Area	Open Plaques	Not applicable	In Scope	In Scope	In Scope	In Scope
9.2	Heritage Condition	Rate of Culture and Memories per 100,000 of the population	Number per Local Authority Area	Calculated measure	Total Domain Score - Total number of assets in 9.1 in scope for each nation divided by local authority population, multiplied by 100,000	In Scope	In Scope	In Scope	In Scope

Other Funding indicators

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
10.1	Other Funding	Transforming Towns - Building for the Future	Presence within the Local Authority Area (yes/no)	Welsh Government	Presence of funding for each nation assigned a value according to the weighting displayed on the datasheet.	Not In Scope	In Scope	Not In Scope	Not In Scope
10.2	Other Funding	Valleys Taskforce	Presence within the Local Authority Area (yes/no)	Welsh Government	Presence of funding for each nation assigned a value according to the weighting displayed on the datasheet.	Not In Scope	In Scope	Not In Scope	Not In Scope
10.3	Other Funding	Transforming Towns - Targeted Regeneration	Funding (£)	Welsh Government	Actual amount of funding received by each local authority. The local authority with the highest amount of funding is allocated 100, the lowest amount of funding is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. The result is weighted according to the percentage displayed on the datasheet.	Not In Scope	In Scope	Not In Scope	Not In Scope
10.4	Other Funding	Levelling Up Fund Rd 1	Funding (£)	UK Government	Actual amount of funding received by each local authority. The local authority with the highest amount of funding is allocated 100, the lowest amount of funding is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. The result is weighted according to the percentage displayed on the datasheet.	In Scope	In Scope	In Scope	In Scope

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
10.5	Other Funding	Towns Fund	Funding (£)	UK Government	Actual amount of funding received by each local authority. The local authority with the highest amount of funding is allocated 100, the lowest amount of funding is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. The result is weighted according to the percentage displayed on the datasheet.	In Scope	Not In Scope	Not In Scope	Not In Scope
10.6	Other Funding	High Street Heritage Action Zone or Future High Streets Fund	Presence within the Local Authority Area (yes/no)	Historic England	Presence of funding for each nation assigned a value according to the weighting displayed on the datasheet.	In Scope	Not In Scope	Not In Scope	Not In Scope
10.7	Other Funding	Heritage Action Zones	Presence within the Local Authority Area (yes/no)	Historic England	Presence of funding for each nation assigned a value according to the weighting displayed on the datasheet.	In Scope	Not In Scope	Not In Scope	Not In Scope
10.8	Other Funding	ACE Priority Places	Presence within the Local Authority Area (yes/no)	Arts Council England	Presence of funding for each nation assigned a value according to the weighting displayed on the datasheet.	In Scope	Not In Scope	Not In Scope	Not In Scope
10.9	Other Funding	Investing in Communities	Funding (£)	Scottish Government	Actual amount of funding received by each local authority. The local authority with the highest amount of funding is allocated 100, the lowest amount of funding is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. The result is weighted according to the percentage displayed on the datasheet.	Not In Scope	Not In Scope	In Scope	Not In Scope
10.10	Other Funding	Regeneration Capital Grant Fund (RCGF)	Funding (£)	Scottish Government	Actual amount of funding received by each local authority. The local authority with the highest amount of funding is allocated 100, the lowest amount of funding is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. The result is weighted according to the percentage displayed on the datasheet.	Not In Scope	Not In Scope	In Scope	Not In Scope
10.11	Other Funding	Creative Scotland Place Programme	Presence within the Local Authority Area (yes/no)	Creative Scotland	Presence of funding for each nation assigned a value according to the weighting displayed on the datasheet.	Not In Scope	Not In Scope	In Scope	Not In Scope

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
10.12	Other Funding	Better places Green Recovery Fund Round 3	Funding (£)	NatureScot	Actual amount of funding received by each local authority. The local authority with the highest amount of funding is allocated 100, the lowest amount of funding is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. The result is weighted according to the percentage displayed on the datasheet.	Not In Scope	Not In Scope	In Scope	Not In Scope
10.13	Other Funding	Scotland Loves Local Fund	Funding (£)	Scotland Loves Local	Actual amount of funding received by each local authority. The local authority with the highest amount of funding is allocated 100, the lowest amount of funding is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. The result is weighted according to the percentage displayed on the datasheet.	Not In Scope	Not In Scope	In Scope	Not In Scope
10.14	Other Funding	Shared Island Development Funding	Funding (£)	Irish Government	Actual amount of funding received by each local authority. The local authority with the highest amount of funding is allocated 100, the lowest amount of funding is allocated 0, other local authorities are allocated values relating to where they sit on the scale between those values. The result is weighted according to the percentage displayed on the datasheet.	Not In Scope	Not In Scope	Not In Scope	In Scope
10.15	Other Funding	Total Other Government Funding	Calculated measure	Not applicable	Total of indexed and weighted funding amounts and scores in 10.1-10.14 where in scope for each nation	In Scope	In Scope	In Scope	In Scope

Other LA characteristics – Deprivation and Previous National Lottery Heritage Fund Investment indicators

Ref.	Factor	Indicator	Unit of measurement	Source	Description (for calculated measures)	England	Wales	Scotland	Northern Ireland
