

Heritage Lottery Fund Schedule of Decisions under delegated powers to Head of HLF East of England on 5 November 2014

Item	Project Title and Reference Number	Project Description	Applicant	Decision
1.	To restore, relaunch and implement a Sailing Programme for the 1900 fishing boat Baden Powell	To carry out restoration works to the Baden Powell, engaging experienced volunteers and skills training for students. Work with volunteers from a youth work facility in King's Lynn to design a programme of activities for young people (including NEETs). A heritage leaflet about the vessel and a sailing programme would also be produced.	Worfolk Boat Trust	Award grant of £76,300 (77%)
2.	The history and heritage of people with spina bifida and hydrocephalus	A national project to collect oral histories, artefacts, equipment and other documents relating to the heritage of people with spina bifida and hydrocephalus. Output would include oral histories, terracotta figurines made by young people, a permanent exhibition at the applicant office and a 50 th anniversary celebration event.	SHINE	Award grant of £60,200 (60%)
3.	Discovering the connection between natural heritage and cultural influence in Swanton Novers woodland using volunteers	To increase public awareness of bats through events and volunteer training. Volunteers would be trained and would become woodland champions to spread the message to others. Data would be digitised and made available online. A project summary would be produced to inform further work and a document explaining how to carry out this work at other sites would also be made available for landowners and volunteers.	Bat Conservation Trust	Reject
4.	Aylsham Parish Church Organ Restoration	To restore the historic pipe organ in Aylsham Parish Church. Volunteers would produce a display to explain the restoration. Organ days would be introduced to engage local schools, along with an organ scholarship scheme for young church musicians. Organ recitals would be organised.	Aylsham Parochial Church Council	Reject
5.	Peterborough and the Great War	To digitise, transcribe and research two visitor books from FWW Soldiers and Sailors' Restroom at Peterborough East Railway Station and deliver a range of activities based on material within these volumes. A FWW event will be held annually from 2015-17 to promote the project. A touring exhibition and website will be created.	Vivacity Culture and Leisure	Award grant of £99,000 (98%)

6.	The Forgotten Heroes: Africans in the First World War	To raise awareness of African soldiers in FWW and commemorate their bravery. Outputs would include recruitment of a project officer, events at Watford Museum, working with the museum to train volunteers to use heritage materials and carry out research, workshops, a booklet, a film and a play.	Learning Through the Arts C.I.C	Award grant of £28,800 (98%)
7.	Putting Nature at the Heart	To support a new group, the Cambridgeshire Local Nature Partnership, to produce a business plan and deliver training to its members and wider stakeholders.	Cambridgeshire County Council	Award grant of £10,000 (95%)
8.	Reepham Remembers	To explore the heritage of Reepham during FWW. Participants will visit FWW battlefields and cemeteries in France. Other visits include the Imperial War Museum, The Flanders Memorial Garden and the National Archive at Kew. Research will also be undertaken, with some students going to Norfolk Records Office. Participants will produce creative writing and artwork inspired Edith Edis's photographs of the Western Front. A website and an exhibition will be created.	Reepham High School and College	Award grant of £10,000 (76%)
