

Heritage Lottery Fund Schedule of Decisions under delegated powers to Head of HLF East Midlands on Wednesday 10th December 2014

Item	Project Title and Reference Number	Project Description	Applicant	Decision
Our Heritage				
1.	Ermine Street Community Dig OH-14-04905	This project aims to develop skills and knowledge among the local residents and communities to become involved with a professionally-led archaeological investigation of land alongside the Roman Road north of the city of Lincoln.	LAGER Lincoln Archaeology Group for Excavation Education and Research	Award grant of £46,600 (100%)
2.	Guardians Of The Moor OH-14-05005	The project will provide opportunities for people from all walks of life to take up active relevant volunteering to protect and celebrate the heritage of the Eastern Moors in the Peak District near Sheffield.	Royal Society for the Protection of Birds (RSPB)	Award grant of £81,300 (69%)
3.	Derbyshire & Nottinghamshire Medieval Graffiti Survey OH-14-04895	To undertake a survey of existing Medieval graffiti in churches in Nottinghamshire & Derbyshire, using local volunteers, who will be trained and supported to identify, survey and record these examples, compiling the data into a working database, which will be accessible for others to use in the future.	Involve Heritage CIC	Reject
4.	Walking Together – Remembrance & Celebration: Markham Colliery 1882-1993 OH-14-01513	To celebrate the mining heritage of the former Markham Colliery, capturing and sharing unrecorded stories and creating a lasting legacy of the local history of mining and what this means to local communities.	Derbyshire County Council	Reject
5.	Battle Of Chesterfield 750 th Anniversary Celebration OH-13-20450	The project will focus on the Battle of Chesterfield, which took place on 15 May 1266. Local history groups will research the event and Chesterfield's layout at the time. A script will also be produced for a performance with original music, artwork and costumes.	Chesterfield Borough Council	Reject

6.	India and Britain: Between The Elizabeths OH-14-06129	The project will focus on the shared heritage between India and the UK, examining their complex relationship from the 1600's to the approaching 70 th anniversary of India's independence.	Inspirate	Reject
7.	Developing A Sustainable Future For Volunteering At Moira Furnace OH-14-02308	The project will create a new set-up to support and develop heritage and environmental volunteers.	Moira Furnace Museum Trust Ltd	Award grant of £61,900 (96%)
8.	Down Hockley; The Way To Sneinton Market OH-14-06435	The project wants to collect the memories of the Sneinton Market as oral histories and films, and establish an archive of the personal memorabilia still held locally that will be easily available to anyone using the Market.	Sneinton Community Traders	Award grant of £51,400 (97%)
Sharing Heritage				
9.	Digitally Sharing The National Space Centre's Artefact Collection: Purchasing Software & Improving Standards SH-14-04791	The project is aiming to share the National Space Centre's artefact collection digitally, so that anyone can explore and interact with the objects.	National Space Centre	Reject
Grants for Places of Worship				
1.	St Bartholomew's Church Welby, Restoration Project and establishment of a Heritage Centre GP-12-08648	This project is for urgent repairs to this Grade II* church. The activities proposals link to the abandoned medieval village of Welby. The development phase has been well used to refine capital costings, new build proposals and to involve more people.	St Bartholomew's Church, Welby, Melton Mowbray	Award grant of £140,100 (77%)
2.	Re-point and repair granite stonework of Rothley Parish church tower GP-12-11910	A thorough development phase supports the case for urgent repairs to the tower of this Grade II church. Activity proposals linking the village with the heritage of the church are strong. Particularly the Saxon heritage and the recent discovery of graves and remains of a Saxon building on the boundary of the churchyard.	St Mary & St John, Rothley	Award grant of £56,600 (69%)
