

Heritage Lottery Fund

Schedule of Decisions under delegated powers to Head of HLF South East on Monday 26th October 2015

Our Heritage

Item	Project Title	Project Description	Applicant	Decision
1	Fishing Industry Protocol for Archaeological Discoveries: Establishing a Historic Environment Fisheries Liaison Officer	The project will appoint a dedicated Historic Fisheries Liaison Officer to work directly with fishing fleets, to develop knowledge and skills in identifying and recording heritage finds at sea.	Wessex Archaeology	Award Grant of £92,400 (100%)
2	'Perfect Pollinators (East Kent & Sussex Schools Bees Project)	This two year project will consider native bee populations and their habitats while exploring their key role as pollinators in the food chain.	Naturequest	Reject
3	No Tail: An Educational Heritage Theatre Project in Strood	This project will use dramatic performance to explore local folklore and unseen histories. It will create a book, an exhibition and a walking tour map of Strood's historic sites.	Swale CVS	Reject
4	Storytelling on Film: Then and Now	A seven-month project to explore Worthing's connection to the early film industry. Project outputs will include two exhibitions, a heritage trail, plaques at notable local sites, filmmaking courses, a book and a series of early film screenings.	Worthing WOW	Award Grant of £67,800 (87%)
6	Saving the Fairmile: RML 497	The project will involve the acquisition of the Fairmile B Rescue Motor Launch RML 497 and its transportation from Torbay to Portsmouth. Initially she will be operated by the Medusa Trust, prior to the development of a sustainable business plan including operating as a heritage visitor attraction at Portsmouth. New interpretation, film, website, community engagement and learning materials will enable visitors to understand her history.	National Museum of the Royal Navy	Award Grant of £90,600 (90%)

Transition Fund

Item	Project Title	Project Description	Applicant	Decision
5	Finding a viable and sustainable future for the brickworks	This project will identify ways for the museum to increase income and strengthen future sustainability.	Hampshire Buildings Preservation Trust	Award Grant of £60,300 (100%)

Young Roots

Item	Project Title	Project Description	Applicant	Decision
7	Maritime Youth Discovery	The project will engage young people from Portsmouth to explore the maritime heritage of the city.	Pompey in the Community	Award Grant of £40,500 (100%)
8	Anarchy! Battle for Power	Groups of young people will explore and present their responses to the themes of power, wealth and royalty and the effects of the English Civil War in Hampshire.	Wet Picnic	Award Grant of £50,000 (88%)
9	Projection SEAS - A contemporary response to an historic archive	The project will work with young people to use the SEAS archive to explore local history. It will create an exhibition of archive photographs alongside the young people's responses.	Project Motorhouse	Award Grant of £49,600 (100%)

Sharing Heritage

Item	Project Title	Project Description	Applicant	Decision
10	Powell Corderoy Primary School 200th Anniversary Celebration and Exhibition of History	Children from the school will research its history and create a school timeline. The school's historic collections will be conserved and former pupils' memories recorded. Outputs will include an exhibition, a book and celebratory events.	Powell Corderoy Primary School	Award Grant of £10,000 (95%)
11	Shaolin Culture Workshop	The two-day cultural workshop will explore Chinese heritage through Chinese martial arts, calligraphy and a tea ceremony.	UK Shaolin Temple	Reject
12	Understanding Highdown Gardens: Interpretation and Heritage	The project will improve on-site interpretation at Highdown Garden to uncover the story of the creation of the gardens and their development to present day.	Worthing Borough Council	Award Grant of £9,100 (91%)

Start Up Grant

Item	Project Title	Project Description	Applicant	Decision
13	Helping Local and Landscape-scale initiatives to make more of what natural heritage does for society	This project will allow the Ecosystems Knowledge network to consolidate its position, secure new income streams, and conduct a study into its current social impact and advocacy.	Ecosystems Knowledge Network	Reject
